Zombie Wedding: \$5.3M PG-13 Feature Film

Zombie Wedding is a PG-13 Zombie Themed Romantic Comedy featuring rising Nick, Disney, and pop stars Rane Tyson, Michael Vorski, Melinda Weiss, Edward McKay, Cory Vanowen, and Teddy Vanowen. \$2M of the \$5.3M Budget is already in place.

A completion bond issued by Edward Financial Group ensures the film will be produced and distributed. A 16 week high-profile theatrical release is guaranteed. Pre-sales have already reached \$1.2M.

Producer David Becket has previously produced several profitable projects, including Zombie Death Dance, Unwelcome Undead, Grave Concerns II. Director Tandy Singer's credits include Ouija Curse, War of the Dead, Dead Eyes, 3 episodes of the Amazon Original Series Full Dread and the Nick Original Feature Blood Wellington. Gross revenues for her feature films currently exceed \$19M.

Zombie Wedding: \$5.3M PG-13 Feature Film

Marci White has joined the crew as the producer's rep and distribution strategist. She has participated in the profitable release of more than 41 independent feature films with gross revenues exceeding \$300M. She has already leveraged her overseas relationships to raise \$1.2M in pre-sales to Mexico, Brazil, Argentina, and Bolivia.

Morgan Wilkes, our award winning cinematographer, lensed *Zombie Death Dance*, *Unwelcome Undead*, *Grave Concerns II*, *Dead Eyes*, and *Lost Isle*. **Wendy Laroux** has been attached as supervisor of SFX Creature Design & SFX Makeup. Her most recent credits include the Amazon Original series *Full Dread* and the Nick series *Crawler*. **Scotty O'Donnel**, a seasoned post production supervisor, with credits from Lionsgate, Universal, and Disney, has signed on to handle *Zombie Wedding* distribution deliverables. His on set team will start logging and cutting footage on the first day of production.

Zombie Wedding Synopsis

Romany is a Gypsy king who's been undead for more than two hundred years and Julie's the thrill-seeking co-ed who has finally captured his wicked heart. The wedding invitations have gone out, the guests are on the way, and tomorrow night our daring couple will tie the knot at Romany's family estate in the heart of the Louisiana Bayou.

Except Julie's sister Ty and her brother Ros will do anything to rescue their sexy sister from the clutches of the undead, and Romany's cousins Paris and Merc will cut off Julie's head before they'll let their beloved king marry out of the clan.

This script is based on the *Zombie Wedding* comic book which has sold more than 22,000 copies here in the United States.

Target Market

The target market for this film is 15-25 year old males and females.

We've elected to make the film PG-13, and to limit the sex, gore, and violence in keeping with this rating, in order to ensure maximum possible revenues from both domestic and international markets.

Screenplay Coverage

“This is a terrific Zombie flick that brings something fresh to the screen. The characters, despite their comic aspects, have real depth and it’s easy to believe the hero and heroine are madly in love. I particularly like how secondary characters evolve in this piece.” -- Louise Channing, director of Development for two independent film companies and seasoned film and television producer.

“Zombie Wedding is a creepy classic zombie thriller with some great surprises. It has a twist that will surprise most viewers, and it has moments that people will laugh about after they leave the theater. This is more than just another zombie movie.” -- Wallace Franc, TV Writer and story doctor for multiple studios with many credits in horror and thriller genre.

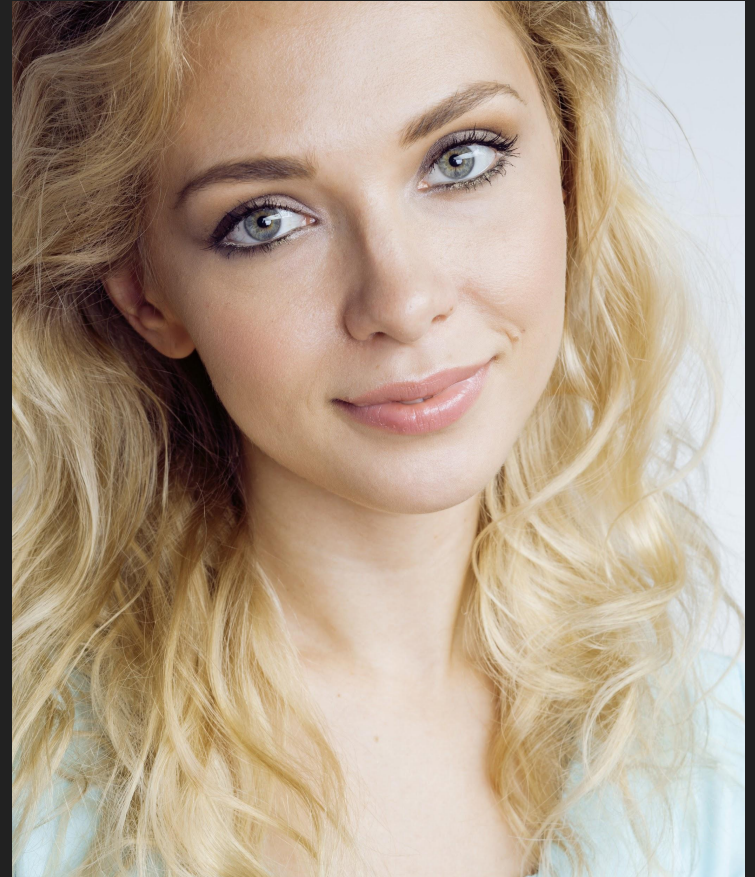

“Zombie Wedding offers many creative elements that allow it to truly stand out from the pack. Character development is solid, pacing is good, and a lot of the film’s comedy and action will make it play well overseas because it won’t require translation.” -- James Wilson, seasoned distribution executive with ten years managing rights sales for independent films worldwide.
